Please make sure to bring music for both pieces with all measures numbered. Please arrive 20 minutes before the scheduled time and check in at the Registrar's desk. Someone at the Registrar's desk will escort the student to the audition room. Judging is closed and parents are to remain in the waiting area. Students will give their music and audition forms to the monitor outside the door. After the student has finished, they should wait for music to be returned outside the audition room.

At the completion of each grade level, the Judge will announce those students who have received awards of Outstanding Performer, Award of Excellence, and Honorable Mention. Students earning a rating of Outstanding Performer are eligible to enter the GMTA Auditions, to be held on April 16-17, 2010 at Kennesaw State University. Every student will receive a Certificate of Participation and Adjudicator Comment Sheet.

Your child has been working very hard to prepare for the NFMTA Audition and needs all of your support and encouragement.

Sincerely,

Hwee Boon Ng
